

# AMP SUPERSEAL 1.5 Series, 4 Way Cable Mount Socket Connector

**Brand:** Competition Systems  
**Product Code:** AMP282088-1  
**Availability:** 7 Days  
**Weight:** 0.01kg  
**Dimensions:** 5.00cm x 2.00cm x 1.00cm

**Price: \$2.42**

## Short Description

SUPERSEAL series 1.5 automotive connectors offered in plug housings for receptacle contacts, and cap housings for tab contact variants.

## Description

SUPERSEAL series 1.5 automotive connectors offered in plug housings for receptacle contacts, and cap housings for tab contact variants. These connectors are made from black 6.6 glass filled polyamide , with a pre-assembled secondary lock. The automotive connector plug housings have silicon rubber seals, and the cap housings can also be panel mounted. Durable hard wearing automotive connectors, suitable for many solutions, including truck, bus, agriculture, and off-road vehicles.

This series of connector is often used in Ferrari and Ducati OEM wiring

## Features and Benefits

Waterproof exceeding IP67  
Proven sealing reliability  
Designed for under-hood environments  
Suitable for powertrain, security, and body & chassis systems  
Wire seals constructed of silicon rubber  
Dielectric withstand voltage 1500 Vrms

Temperature range -40 to +125°C
